¹ Members are very welcome to come along with or without yachts to enjoy Lymington and the chance to meet up with other Sapper sailors.

² Racing will primarily be under the IRC handicap system. If enough yachts with PYS/NHC handicaps attend, a second class will be added.

³ **Payment by cheque (made payable to RLymYC) or cash at Lymington on the day please.**

⁴ **Payment by cheque (made payable to RLymYC) or cash at Lymington on the day please. A single cheque for drinks and dinner is acceptable and it would be helpful if skippers collected money for their crew.**

⁵ Early registration will be very helpful, even if the full details are confirmed later.
